# TRUCKEE DONNER LAND TRUST

PROTECT *AND* ENJOY

# Dear Supporter of the Truckee Donner Land Trust,

Last year was an exciting year for the Truckee Donner Land Trust, and as our organization grows and evolves, we wanted to reflect those changes in our annual newsletter.

As more of you are connecting with the Land Trust through our website, our monthly e-newsletter, and via social media, we saw this as an opportunity to transform our annual report into a high-level reflection on all that we have accomplished. As you'll see in the following pages, however, our focus and are gratitude remain with you. Thank you for your steadfast support.

This past year was filled with exciting and noteworthy accomplishments. Truckee Springs was not only protected with your help – it also grew from 26 to 67 acres with the donation of neighboring land from the California Department of Fish and Wildlife. We are excited to see the continuation of the Truckee River Legacy Trail stretch across Truckee Springs, along with the construction of the pedestrian bridge across the water. Both will provide new access to this special piece of open space and the river in the heart of our Truckee community.

Thanks to your incredible support, the Land Trust and our partners also completed the acquisition of Canyon Springs in just three short months. A campaign of this magnitude would normally take more

than a year, showing the power of your dedication to open space. Protecting those 290 acres brings a decades-long land-use debate to a close, and permanently protects key open space in eastern Truckee.

The Land Trust looks forward to working with you in the future as we pursue exciting new open space acquisitions, build new trails, complete more than 800 acres of forest health work planned in the next few years, and so much more. We hope you take pride in the accomplishments outlined in the following pages, and thank you for joining us as we continue to protect and enjoy open space for nature, for people, forever.

Onward,

*Aparna Reddy & John Swahn*  
2020–22 Board President & Executive Director

*Public Access and Trails Coordinator Jesse Cassidy moves a boulder at Waddle Ranch to improve access for visitors.*

Twenty twenty-one was a banner year for land protection at the Truckee Donner Land Trust with 357 acres of open space conserved! The 67-acre Truckee Springs property preserves green space in the heart of our community, creates access to the Truckee River in downtown, protects wildlife corridors between the river and upland habitat, and creates the opportunity for a trail hub to access recreation in our community core. Farther east, the 290-acre Canyon Springs property conserves key open space in eastern Truckee, protecting important wildlife migration corridors and creating open space access in a part of our community with fewer opportunities for outdoor recreation.

As the acreage of the Land Trust's protected lands grows, so too does our responsibility to care for the land. The Land Trust's stewardship team tripled last year to meet our increasing need to build and maintain trails, tackle critical forest health projects, initiate additional restoration projects, and offer unique outdoor opportunities for the public with our Webber Lake Campground and new Frog Lake Backcountry Huts. Looking forward, the Land Trust has more than 800 acres of forest health projects planned to improve habitat and increase wildfire resiliency. Two large-scale meadow restoration projects are also planned at Lacey Meadows near Webber Lake, and Van Norden Meadow on Donner Summit. Volunteerism continues to be a critical component of the Land Trust's stewardship work, returning strong in 2021 after a pandemic hiatus. Volunteers led dozens of docent hikes and tackled projects from trail maintenance to barbed wire removal for wildlife migration, as well as graffiti removal in Donner Summit Canyon.

**Make a Gift of Appreciated Assets**  
 Giving appreciated securities like stocks to the Truckee Donner Land Trust in place of cash is a tax-wise alternative, allowing you to give more without impacting your cash flow. You may also save on taxes and avoid capital gains taxes.

**Make Your Real Estate Work for You**  
 Are you planning to hold onto your home, vacation property, or other property for some time? If so, you can make a difference to conservation in the Sierra and save on taxes through a charitable life estate, based on a gift of your property to the Truckee Donner Land Trust.

**Make an IRA Charitable Rollover Gift**  
 Supporters over 70½ years old can roll over up to \$100,000 from their Individual Retirement Account (IRA) to the Land Trust free from federal income tax. An IRA rollover gift may also qualify for your required minimum distribution (RMD), permitting you to lower your income and taxes for the year.

While the Land Trust has accomplished much with your support over the last three decades, there are still tens of thousands of acres still out there to protect, miles more of trails to build, and forests, meadows, and watersheds to restore for the health and beauty of our region. You can help the Land Trust jump on the next acquisition or tackle the next forest health project through tax-savvy giving. Look above for a few ways to support the Land Trust's mission.\*

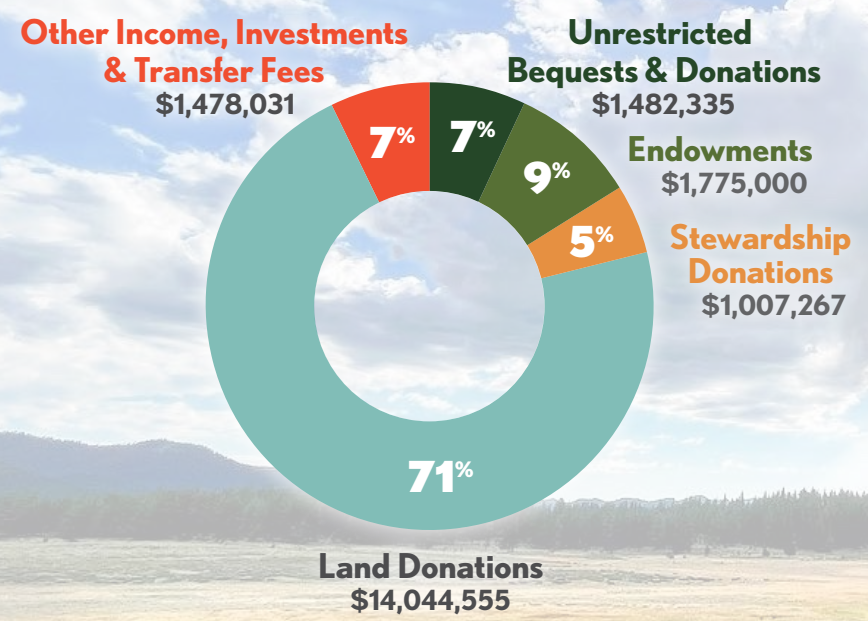

\*This information is educational in nature. It is not offering professional tax, legal, or accounting advice. For specific advice about the effect of any planning concept on your tax or financial situation or with your estate, please consult a qualified professional advisor.

Early snowfall in Lower Carpenter Valley.

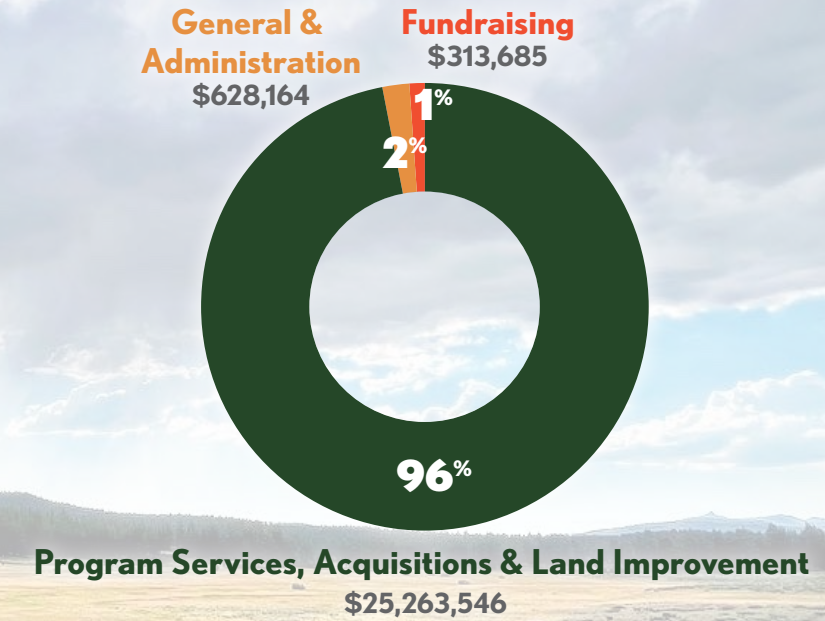

Find out more about ways to support conservation, and donate today by pointing your smartphone camera:

SOURCES OF FUNDS  
**\$19,787,185**  
 TOTAL REVENUE

USE OF FUNDS  
**\$26,205,395**  
 TOTAL EXPENSES & CAPITAL COSTS

The view from the new Martis Valley Trail, made possible in part by an open space acquisition of the Truckee Donner Land Trust.

Truckee Donner Land Trust understands our supporters expect their contributions will be put to good use for conservation and recreation in the northern Sierra. The above charts provide a summary of the 2021 fiscal year in revenue and expenses. More information, including our IRS form 990 and our audited financial statements are available on our website, truckeedonnerlandtrust.org.
